Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the documents on the attached listing. This Information Disclosure Statement is being filed within three months of the filing date of the above-referenced application.

Copies of the listed foreign and non-patent literature documents are attached. A copy of the U.S. patent publication is not enclosed.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

The following is a concise statement of relevance of the non-English language documents.

1. Japanese Publication No. 2004-198971 discloses a trapezoid compensation as a conversion means of the plane of projection of parallax images. An English-language abstract is also attached. This publication is also discussed at page 5 of the present specification.

2. Japanese Publication No. 2004-178579 discloses a trapezoid compensation as a conversion means of the plane of projection of parallax images. An English-language abstract is also attached.

3. Japanese Publication No. 2003-43413 discloses that images are projected on the horizontal plane as parallax images. An English-language abstract is also attached. This publication is also discussed at pages 3 and 4 of the present specification.

4. Japanese Publication No. 10-56654 discloses that images are projected on the horizontal plane as parallax images. An English-language abstract is also attached.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
